U.S. DEPARTMENT OF AGRICULTURE

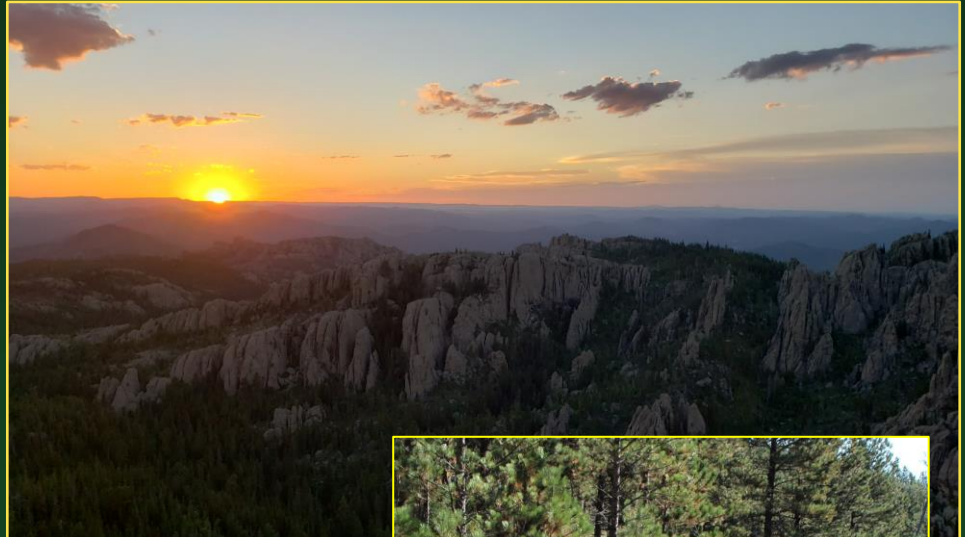

# Recreation Management Specialist (OHV Community Engagement Specialist GS-0301-9/11)

## Black Hills National Forest

The Black Hills National Forest is recruiting candidates to fill one Recreation Management Specialist position, with a working title as Community Engagement Specialist. This position is a critical member of the Motorized Trail Program within the Recreation Program. It is a permanent, full-time position.

It is responsible for connecting the Forest with its various audiences. The primary purpose is to develop and maintain relationships with OHV users and related organizations, public lands, and local communities by creating effective communication strategies and productions.

The ideal candidate is organized, capable of multitasking in a high-paced and ever-changing work environment, and people-oriented. Candidates should also be prepared for a mixture of office and field work, team assignments, and individual projects.

The Black Hills National Forest encompasses 1.2 million acres in western South Dakota and eastern Wyoming.

Over 700 miles of designated motorized trails are available within the Forest.

The vacancy is advertised as part of the National Recreation Collective Hiring Event. It will be posted on [USAJOBS](#) from April 6-19, 2022. Interested candidates are encouraged to apply early; some vacancies may close once the application limits have been received.

For more information and/or to express interest, please contact Bradley Block, Recreation Program Manager at (605) 673-9239 or [bradley.block@usda.gov](mailto:bradley.block@usda.gov).

We hope you will consider the beautiful Black Hills as your future home for a rewarding career and countless opportunities for recreation. For more information on the area and local communities, visit the [Black Hills National Forest](#), [South Dakota Tourism](#), and [Wyoming Tourism](#).

USDA is an equal opportunity provider, employer, and lender.
